Procreator - 2026 - Album's cover - Indian ink on paper - 39,5 x 30 cm - Signed bottom right

When he was a press cartoonist, Luz used his sharp drawing style, clever writing, and quick wit to make fun of stupidity. Since becoming a full-time comic book author, he has kept the same powerful and critical view of society. In 2023, with *Testosterror* (Albin Michel), he humorously explored the dangers of masculinism, mixing caricature with an almost futuristic apocalyptic vision of a France worn down by an epidemic affecting men's testosterone. But that first book had not said everything.

HUBERTY & BREYNE

Huberty & Breyne is a contemporary art gallery specializing in comic books, founded in 1989 and now run by Alain Huberty and Marie-Caroline Bronzini. With locations in Brussels and Paris, it promotes established and emerging artists linked to or inspired by the 9th art.

Its exhibitions of original comic strips, paintings, and sculptures support contemporary creation in all its diversity and the blending of disciplines. An international reference in the field of the ninth art, it offers collectors a rigorous selection of works by classic and promising artists.

The gallery takes part in major art market events, participating in international fairs such as Brafa, Art Paris, and Drawing Now. It has a 1,000 m² space in Brussels, on Place du Châtelain, and two spaces in Paris, on Avenue Matignon and Rue Chapon.

In addition to his gallery activities, Alain Huberty is a comic book expert for auction houses.
